**Summer Photo Challenge:** We are inviting everyone to take part in our summer challenge! We want you to pull out your cell phone or camera, and photo document the places (or people) where you saw or experienced God this summer. During September we will gather the photos (with a short written explanation if you wish) and compile them into a photo exhibit for Thanksgiving Sunday. We hope everyone will take part.

**‘The NL Mission & Service Fund Story’** is available for your perusal in the vestibule and foyer of the church. It is a wonderful document to share with our community because it not only tells the story of our generous giving to the Mission and Service Fund, it tells about how we in NL benefit directly from M&S.

**Sunday Bulletins:** If you would like to sponsor a 2016 printed Sunday bulletin, supporting Mission & Service, please sign the sheet (next to your date) on the cork board in the Sanctuary vestibule today.

**The 9.30am Contemporary Service** will now continue until June 28, after which there will be a summer break, to resume Worship in September.

**The Traditional Worship Service** will take place at 10am from July 5 – August 30 inclusive.

**The Church Office** will be closed tomorrow, June 22.

**An account has been set up at the Recycling Depot on O’Leary Avenue for the ‘GO Project.’** If you have any refundable cans or bottles for recycling that you wish to donate, please bring them along to the O’Leary Avenue location at the back of Car Quest Auto Supplies building, and let them know they are for the ‘GO Project.’ Hours of operation for the depot are Monday-Friday 9am-4:45pm and Saturday 8:45am-4:45pm.

**Bag to School Program:** Once again this year Bridges To Hope will be partnering with Community Centers and Corporate Sponsors to provide the children of our province the chance to enroll in our Bag to School Program. Last year we were able to fill over 991 bags for children across the province; of which 662 were packed by the staff and volunteer of Bridges To Hope for children in the metro area. For 2015 St. James has been assigned geometry sets. Please bring your donation to the Church Office over the summer, where it will go a long way towards ensuring another successful school year for the children of our city and province:
