

Memory Tree 2017

At Christmas, we share our hearts with family, friends and strangers too. As the years pass, we gather many memories of treasured times together. Our lives are changed, but our memories remain constant. This year, in our sharing of a memory, we honour loved ones in the giving spirit of Christmas Hope, Peace, Joy and

Love.

All that we love deeply becomes a part of us.
Take comfort in your memories, for they will
indeed be a part of you forever*

Minute for Mission

Our gifts for M&S support rebuilding after conflicts and natural disasters. The NeBaj region of rural Guatemala suffered through 3 decades of civil war that ended in 1996. The Guatemala Conference of Evangelical Churches (CIEDEG) is training more than 400 Indigenous women in human rights, citizen participation and economic empowerment through farming. The women have changed, their confidence has grown, they are no longer afraid to voice their opinion; some have even run for political office. Training encourages women to not only know their rights, but also to exercise them. The agricultural development project has reduced malnutrition in the community's children and provided a new source of income for families. CIEDEG organizes local women into groups and provides each with seeds & materials for a greenhouse. Through these small cooperatives, communities are becoming self-sufficient. We sing thanksgiving that, through M&S, communities are able to rebuild & experience peace!
