Minute for Mission: Our gifts for M&S support overseas personnel like Catherine Christie, a Bedford, NS native, who recently returned to Canada after many years in Korea with the Presbyterian Church in the Republic of Korea (PROK) and the national Council of Churches. Among other tasks, she assisted with English language communication to facilitate relationships between PROK and its partner churches around the world. The PROK focus is on working for justice for all, particularly those who are marginalized, as well as gender justice, justice for the earth, reconciliation and reunification of the divided Korean people, peace for the Korean Peninsula, the North East Asia region and the wider world. Catherine worked within the PROK in active solidarity with some 30 partner churches and organizations. She has a deep passion for reunification of Korea, being a strong voice for female empowerment in Korea. This led her to participate in a walk in the demilitarized zone between the North and South of Korea with other women activists to illustrate the need for connection between the two regions to bring justice to the entire Korean Society. We are thankful that with M&S support, personnel like Catherine have been able to inspire & empower.
