Minute for Mission: Our gifts for M&S support innovative programs such as the cake decorating program at Tamil United Church, Toronto. Tamil United shares space at Wilmer Heights UC with the Toronto Southwest Presbytery Office. The program was started by a woman in the congregation who has her own cake decorating business. She found there was a need among women new to Canada who wanted to start their own business. This program has become an effective social justice outreach to women who are single mothers, unemployed or under-employed, who are now able to support themselves and their families. Many of the women who took the course work at major grocery stores decorating cakes in the store bakery. Your gifts to M&S make possible programs that offer welcome and hope to new Canadians.
