The Community Sector Council NL

It is hard to believe it is a year ago that our lives were changed so dramatically. The work and fortitude of community organizations and volunteers to be creative and to provide such extraordinary support to so many people is amazing. But there is so much to be done and so many important discussions to have. Once again in April we will be reaching out to celebrate Volunteer Week April 18-24, 2021 with the theme The Value of One, The Power of Many, which will celebrate the many acts of kindness of individuals.
