### **It's National Volunteer Week 2021! Sunday, April 18 to Saturday, April 24!**

We take this opportunity to recognize and thank all of our volunteers, especially during these uncertain and difficult times, who continue to give of themselves in many ways to show support and to ensure our community's connection to you remains strong.

From our ushers who promoted medical guidelines for in-person services;

- \* to those who prepared our COVID-19 friendly communion sacrament;
- \* to our musical groups who provided leadership during special services;
- \* to those who have sewn and donated masks to the community;
- \* to those who helped with telephone calls to just say hello;
- \* to those who edited and provided our on-line worship services, assisted with scripture readings, and counted the collection; to those who updated our website;
- \* to those who assisted with our fund-raising and community donations;
- \* to our Zone Captains who delivered The Visitor Newsletter and envelopes;
- \* and to our many church committees who continue to connect virtually, by e-mail or telephone.

All have certainly been needed and are valued to keep everything going during the past year especially with the pandemic health restrictions and closures!

All of these important duties, and more, are performed by our dedicated volunteers, either at a Sunday service or behind the scenes during the week. Our National Volunteer Week theme: The Value of One, The Power of Many, can truly be seen through the dedication and commitment of our volunteers at St. James.

Our volunteers are very special people. We appreciate you and everything you do.

All of this work could not be accomplished without you! Thank you!!
