Tutor-training Workshop, Saturday, February 8: Teachers on Wheels, a local literacy organization, needs volunteer tutors! There's a high demand for tutors to help people improve their literacy, confidentially one-on-one -- especially for some newcomers to improve their understanding and use of English as another language (EAL). They will be holding a tutor-training workshop on Saturday, February 8. No teaching experience or detailed knowledge of grammar is needed. Tutoring can be done in-person or by video-conferencing. For more information and to help, please contact Tom Dawe, Executive Director at teachersonwheels@nl.rogers.com or (709) 738-3975. Thank you in advance.

Let the Organ Thunder: Join Cowan Heights United Church (141 Frecker Drive) on Sunday, January 26 at 7:00 p.m. for an unforgettable evening as we celebrate the debut of our magnificent new organ! This joyous event will feature breathtaking organ selections, spirited congregational hymns, and inspiring performances on our new instrument by Dr. Philip Roberts with selections from soloists Christina Acton, Nicholas LeBlanc, and Benjamin James. Come and be uplifted by the power of music in this celebratory showcase. Admission by donation.

Congratulations to Barbara Butt and to Robin Bartlett who both received a Confederation Medal from the government of Newfoundland and Labrador for all of the amazing work they do in our community to make our province a better place to live.
